

Santa Barbara, SBA Controllers Discuss WEATHER for Controllers and Pilots, PLUS!!!

Santa Barbara (SBA) Air Traffic Controllers, (ATC) will; (1). Discuss WEATHER in the National Airspace System, (NAS). (2). Outline some of the air traffic system limitations when it comes to weather, (3). Tell pilots what they can expect from controllers and how to best keep themselves out of harms way. (4). Discuss the OPPOSITE Direction practices at SBA Approach in hopes of clearing up some of the confusion. (5). An update on Point Mugu Approach consolidation project. (6). Questions and answers during an Open Forum at the end.

Directions: On the North side of the SBA Airport. Across from the New Fire Station. **To fly in you can park at Red Baron Aviation FBO or Signature Aviation, ** NOTE: Check for a possible fee for parking at Signature Aviation

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
